EXPERIENCE

Client Support & Data Coordinator

Jul 2024 – Aug 2025

Inceptech Solutions, Lahore

- Maintained structured Google Sheets trackers logging daily platform activity and financial transactions with zero discrepancy
- Monitored data entries to identify recurring customer bottlenecks and gave clear, data-driven feedback to the technical team
- Managed high-volume client communications and account verifications, ensuring secure data handling

Billing Support Associate

Feb 2023 – Jan 2024

Nexa Solutions, Lahore

- Navigated complex U.S. telecom billing portals to retrieve, verify, and consolidate high-volume customer usage and payment histories
- Built and updated structured Excel trackers, ensuring 100% accuracy during monthly data migration and reporting cycles
- Audited records to identify and fix numerical inconsistencies, delivering clean datasets under tight daily deadlines

Debriefing Agent

Oct 2021 – Jan 2023

BlueEX Couriers, Lahore

- Conducted daily post-route debriefings with delivery personnel, reconciling delivered, pending, and damaged shipment statuses
- Maintained spreadsheets tracking route efficiency, reducing tracking errors and improving reporting transparency
- Flagged mismatched consignment note entries, protecting reporting accuracy and supporting dispute resolution

Freelance Resume & Content Writer

Jun 2023 – Dec 2025

Self-employed, Remote

- Wrote resumes, cover letters, job applications, and content for clients via Facebook
- Collected requirements, crafted tailored documents, and revised drafts based on client feedback
- Managed multiple client projects independently with clear, consistent communication
